

SchoolSphere — Client User Guide

Welcome to SchoolSphere! This friendly guide explains how to use every major feature, in the natural order a customer experiences the product: from signing up, to daily tasks, to signing out. It's written for non technical users.

Tip: If you ever get stuck, look for a Save, Submit, or Continue button on the screen, or use the Back button in your browser.

1) Getting Started

Landing Page

For demonstration only

Supported devices and browsers

- Desktop or laptop with a modern browser (Chrome, Edge, Safari, Firefox)
- Recent Android/iOS devices using Chrome/Safari

Content preview

Create your account (Sign Up)

Sign Up

For demonstration o

Click Sign Up from the top of the site.

Enter your full name, email, and password.

Choose your role:

Content preview

- Student
- Teacher
- Parent
- Guest (for practice exams only)

Click Sign Up.

Notes:

- Guests can start right away (with limited access) and later activate practice exams with a code.
- Other roles may require an Admin to approve your account (see “Account Approval” below).

Sign In (Login)

Login

For demonstration c

Click Login.

Enter your email and password.

Click Sign In.

Content preview

You'll land on your Dashboard—what you see depends on your role (Admin, Teacher, Student/Parent, or Guest).

2) The Dashboard (Home)

The Dashboard is your home page after login. It shows quick stats and shortcuts most relevant to your role.

Admin Dashboard

Dashboard —

For demonstration o

- Welcome header with your name
- Key Stats: Total Students, Active Teachers, Pending Payments, Average Attendance
- Weekly Attendance Chart
- Students Progress donut chart
- Event Calendar
- School Notices
- Recent Activity feed
- Management tools:
 - Subscription Manager (manage user access to practice exams)
 - Account Approval Manager (approve new user accounts)

Content preview

Teacher Dashboard

Dashboard — Teacher

For demonstration only

- Quick view of classes, attendance shortcuts, recent activity, and upcoming items

Student/Parent Dashboard

Content preview

Dashboard — Student

For demonstration only

- Personal snapshot: recent attendance, notices, and key links

3) Navigation

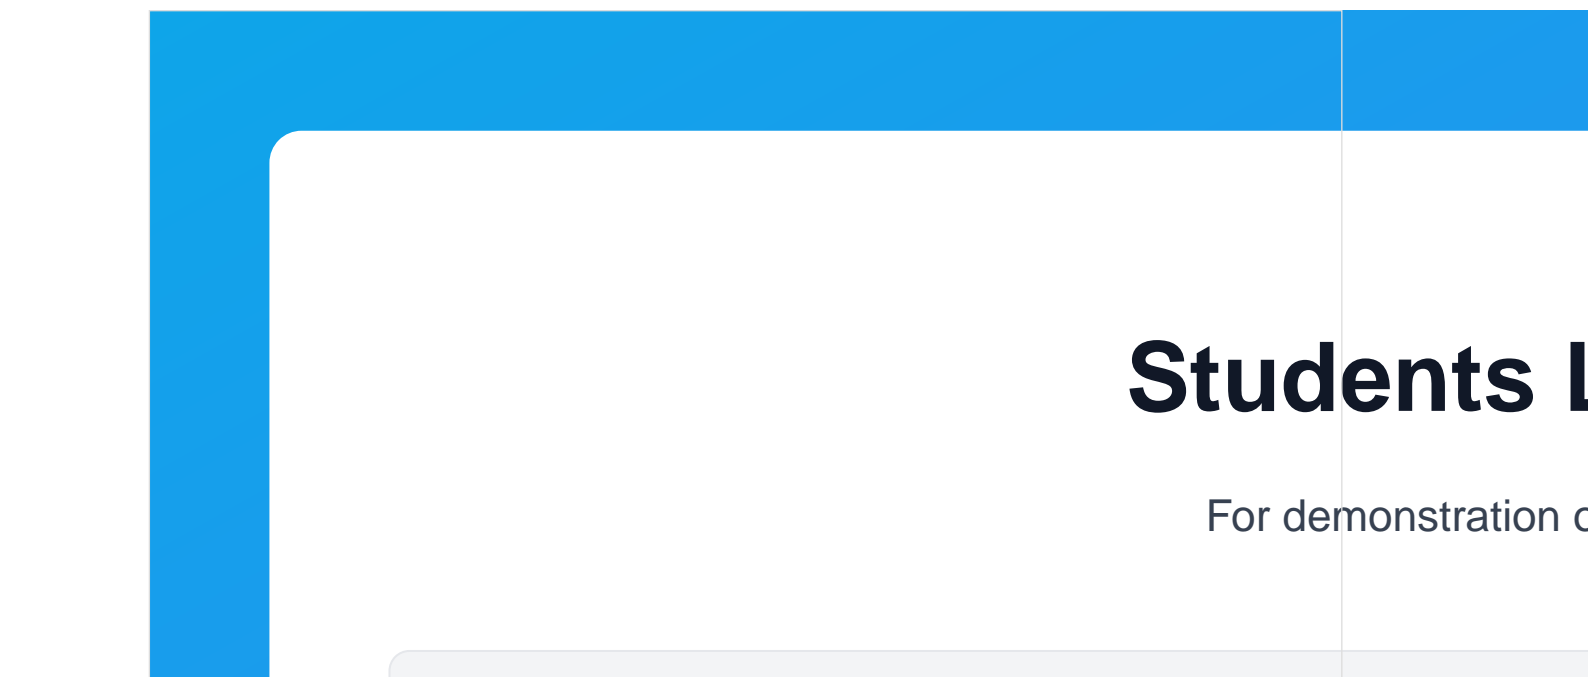

Content preview

- Sidebar (left): main sections—Students, Teachers, Exams, Attendance, Communications, Payments, Resources, Settings, and more

- Top bar: page title, optional search, profile menu (for Sign Out)
- You'll only see the sections allowed for your role (see RBAC section near the end).

4) Students (Admin & Teacher)

View Students

- Go to Students to see the list
- Use search and filters to find specific students

Add or Edit a Student

Click Create (or Edit on a student)

Fill in details (name, email, class, etc.)

Save

Delete a Student (Admin/authorized roles)

- Click Delete on the student you wish to remove

Student Profile (Admin/Teacher; Student/Parent see their own)

Student Profile

- Choose Light, Dark, or System theme
- Pick your primary color

Security

Content preview

Settings — Se

For demonstration o

- Two Factor Authentication (2FA): start setup and verify with your authenticator app
- Manage Sessions: see how many sessions you have active
- Change Password: enter current and new passwords
- Export Data: download your personal data

Content preview

- Delete Account: permanently remove your account (irreversible)
-

20) Create User (Admin)

- Admin can create new users directly with assigned roles
-

21) Admin Tools

- Health card: quick counts across the system (for simple diagnostics)
 - Account Approval Manager: review and approve new accounts
 - Subscription Manager: manage access to standardized practice exams
-

22) Role Based Access (Plain English)

- Admin: full control—manage people, exams, attendance, payments, and settings
 - Teacher: manage classes, take attendance, prepare exams/resources, and communicate
 - Student: practice and take assigned exams, view progress, read resources/notices, communicate
 - Parent: view your child's progress and attendance, read notices, communicate
 - Guest: try practice exams (activation may be required)
-

23) Tips & Troubleshooting

- “Unauthorized” message: sign out and back in; if it persists, contact the school admin
 - Missing a page or button: your role may not allow it; contact an admin if you need access
 - Slow or offline: check your internet; many actions retry automatically when you reconnect
 - Browser: if something looks off, update your browser or try another modern browser
-

24) FAQ (Quick Answers)

- Can I reset my password? Yes—go to Settings !' Security !' Change Password.

- Can I change my role? Roles are assigned by an Admin.
- Can I practice JAMB/WAEC/NECO as a guest? Yes, after activation (enter your activation code on the Activate page).
- Where are my exams? Go to Exams !' Assigned to Me (for internal) or use Practice Hub for standardized exams.

25) Signing Out

Click your profile/menu in the top bar

Choose Sign Out

You'll be returned to the Login page

That's it! If you need help, contact your school administrator or support representative.
Enjoy using SchoolSphere!
