SchoolSphere — Client User Guide

Welcome to SchoolSphere! This friendly guide explains how to use every major feature, in the natural order a customer experiences the product: from signing up, to daily tasks, to signing out. It's written for non technical users.

Tip: If you ever get stuck, look for a Save, Submit, or Continue button on the screen, or use the Back button in your browser.

1) Getting Started

Landing Pa

Content preview

Supported devices and browsers
• Desktop or laptop with a modern browser (Chrome, Edge, Safari, Firefox)
• Recent Android/iOS devices using Chrome/Safari

Create your account (Sign Up)

Sign Up

For demonstration on

Content preview

Click Sign Up from the top of the site.
Enter your full name, email, and password.
Choose your role:
  - Student
  - Teacher
  - Parent
  - Guest (for practice exams only)
Click Sign Up.

Notes:
• Guests can start right away (with limited access) and later activate practice exams with a code.
• Other roles may require an Admin to approve your account (see "Account Approval" below).

Sign In (Login)

Login

For demonstration on

Click Login.
Enter your email and password.
Click Sign In.
You'll land on your Dashboard—what you see depends on your role (Admin, Teacher, Student/Parent, or Guest).

2) The Dashboard (Home)

The Dashboard is your home page after login. It shows quick stats and shortcuts most relevant to your role.

Admin Dashboard

Dashboard —

For demonstration on

Content preview

• Welcome header with your name
• Key Stats: Total Students, Active Teachers, Pending Payments, Average Attendance
• Weekly Attendance Chart
• Students Progress donut chart
• Event Calendar
• School Notices
• Recent Activity feed
• Management tools:
  - Subscription Manager (manage user access to practice exams)
  - Account Approval Manager (approve new user accounts)

Teacher Dashboard

Dashboard — T

For demonstration or

• Quick view of classes, attendance shortcuts, recent activity, and upcoming items

Student/Parent Dashboard

Dashboard — Stud

For demonstration or

• Personal snapshot: recent attendance, notices, and key links

3) Navigation

Content preview

• Sidebar (left): main sections—Students, Teachers, Exams, Attendance, Communications, Payments, Resources, Settings, and more
• Top bar: page title, optional search, profile menu (for Sign Out)
• You'll only see the sections allowed for your role (see RBAC section near the end).

4) Students (Admin & Teacher)

View Students

Students L

For demonstration or

Content preview

• Go to Students to see the list
• Use search and filters to find specific students

Add or Edit a Student

Click Create (or Edit on a student)
Fill in details (name, email, class, etc.)
Save

Delete a Student (Admin/authorized roles)

• Click Delete on the student you wish to remove

Student Profile (Admin/Teacher; Student/Parent see their own)

Student Pro

For demonstration or

• View student details, grades, attendance history, and related records

5) Teachers (Admin)

View Teachers

Teachers L

For demonstration or

Content preview

• Go to Teachers; search and filter as needed

Add/Update/Delete Teacher

• Click Create or Edit to maintain teacher records
• Save your changes

Teacher Profile (Admin/Teacher)

Teacher Pro

For demonstration or

• See teacher details, assigned classes, and related information

6) Classes (Admin & Teacher)

• Teachers see classes they teach
• Admins manage classes via student and teacher records
• Classes are used throughout exams, attendance, and video meetings

For demonstration on

• Two Factor Authentication (2FA): start setup and verify with your authenticator app
• Manage Sessions: see how many sessions you have active
• Change Password: enter current and new passwords
• Export Data: download your personal data
• Delete Account: permanently remove your account (irreversible)

Content preview

20) Create User (Admin)

• Admin can create new users directly with assigned roles

21) Admin Tools

• Health card: quick counts across the system (for simple diagnostics)
• Account Approval Manager: review and approve new accounts
• Subscription Manager: manage access to standardized practice exams

22) Role Based Access (Plain English)

• Admin: full control—manage people, exams, attendance, payments, and settings
• Teacher: manage classes, take attendance, prepare exams/resources, and communicate
• Student: practice and take assigned exams, view progress, read resources/notices, communicate
• Parent: view your child's progress and attendance, read notices, communicate
• Guest: try practice exams (activation may be required)

23) Tips & Troubleshooting

• "Unauthorized" message: sign out and back in; if it persists, contact the school admin
• Missing a page or button: your role may not allow it; contact an admin if you need access
• Slow or offline: check your internet; many actions retry automatically when you reconnect
• Browser: if something looks off, update your browser or try another modern browser

24) FAQ (Quick Answers)

• Can I reset my password? Yes—go to Settings !' Security !' Change Password.
• Can I change my role? Roles are assigned by an Admin.
• Can I practice JAMB/WAEC/NECO as a guest? Yes, after activation (enter your activation code on the Activate page).
• Where are my exams? Go to Exams !' Assigned to Me (for internal) or use Practice Hub for standardized exams.

25) Signing Out

Click your profile/menu in the top bar
Choose Sign Out
You'll be returned to the Login page

That's it! If you need help, contact your school administrator or support representative. Enjoy using SchoolSphere!
